MEMORANDUM FOR: Acting Chief, DPD

SUBJECT : In-Flight Destruction Equipment

1. As you will recall, we have been questioned from time to time concerning our development of equipment for in-flight destruction. This has been applied to pilot navigation aids as well as to the aircraft.

2. In order to record our position on this subject, it is desired that you prepare a short memorandum stating our basic policy on these items and the R&D under way to satisfy them.
